

# SWANA 2017 EVENT LISTINGS

**SWANA**<sup>®</sup>  
SOLID WASTE ASSOCIATION  
of North America

## **SWANApalooza 2017**

March 27-30, 2017

Atlantis Casino Resort Spa

Reno, NV

Event site: [www.SWANApalooza.org](http://www.SWANApalooza.org)

SWANApalooza features SIX key solid waste industry events, all in one place at one time, making information, education and networking more accessible and affordable in 2016!

Specialized symposiums bring you the latest in landfill management, landfill gas and biogas technology, as well as best practices in reaching zero waste goals. Attendees may also participate in the SWANA's renowned Training and Exam center hosted during SWANApalooza,

## **SWANA's Road to Zero Waste Conference**

March 27-30, 2017

Atlantis Casino Resort Spa

Reno, NV

Event site: <http://zerowaste.swana.org>

Registration: <https://www.tradeshowregistrar.com/regsystem18/?event=swana2016>

### Description:

SWANA's Road to Zero Waste Conference takes an in-depth look at dealing with financial, social and system challenges related to achieving Zero Waste goals—the three general topics on which last year's attendees wanted to hear more. Our mix of presenters will cover topics ranging from long-term financial planning to case studies of specific financial and operational approaches. A panel of industry leaders will exchange ideas on when Zero Waste is “worth it.”

How do we change the conversation about waste and develop our citizens into life-long environmental stewards? Several sessions will address behavior change and program transformations that drive a new paradigm of thought—leading people to consider “waste” as a useful resource instead of a problem needing disposal.

## **SWANA's 20<sup>th</sup> Annual Landfill Symposium**

March 27-30, 2017

Atlantis Casino Resort Spa

Reno, NV

Event site: <http://landfill.swana.org>

Registration: <https://www.tradeshowregistrar.com/regsystem18/?event=swana2016>

### Description:

SWANA's Landfill Symposium features the latest issues facing managers who have found that a landfill property now encompasses many aspects of waste management other than just running the landfill. Topics include financial challenges, leachate management challenges, bioreactor landfill challenges, long-term management challenges, public perception challenges, safety challenges, design challenges and other cutting-edge landfill topics.

# SWANA 2017 EVENT LISTINGS

## **SWANA's 40<sup>th</sup> Annual Landfill Gas & Biogas Symposium**

March 27-30, 2017

Atlantis Casino Resort Spa

Reno, NV

Event site: <http://lfg.swana.org>

Registration: <https://www.tradeshowregistrar.com/regsystem18/?event=swana2016>

### Description:

The World's premier forum on landfill gas and biogas utilization and technology, this 40th annual Symposium takes an in-depth look at where the industry is going, with presentations applicable to both small and large facilities. Find the latest information on regulatory issues, financial planning, high BTU and gas treatment. GHG, gas generation modeling and migration control. Get information and resources to improve the sustainability and economic performance of your landfill gas and biogas projects.

## **SWANA Spring Training and Exam Center**

March 27-30, 2017

Atlantis Casino Resort Spa

Reno, NV

Event site: [www.swana.org/training](http://www.swana.org/training)

Registration: <https://www.tradeshowregistrar.com/regsystem18/?event=swana2016>

### Description:

Advance your Career with Solid Waste Training. SWANA is the leading source of solid waste training and education throughout North America for facility policy-makers, managers, owners and operators, and industry consultants. Thousands of solid waste professionals have participated in our training and education programs to learn about industry best practices and promising new technologies.

## **SWANA Exam Center**

March 30

Event site: [www.swana.org/certification](http://www.swana.org/certification)

Registration: <https://www.tradeshowregistrar.com/regsystem18/?event=swana2016>

April 29-May 1, 2015

### Description:

SWANA offers certification in nine certification disciplines. While not required to take the exam, certification prep courses offered at the Spring Training Center prepare you for the certification exam in just two or three days. Be SWANA Certified!

## **NAWTEC 24**

April 24-26, 2017

Minneapolis., Minnesota

Event site: [www.nawtec.org](http://www.nawtec.org)

### Description:

Energy recovery and materials recovery are critical parts of a circular economy. At NAWTEC 25, it's time to take a fresh look at how the waste-to-energy industry is evolving in the 21st Century. Join thought leaders in a conversation about how to extract maximum value from waste through a variety of technologies.

# SWANA 2017 EVENT LISTINGS

## **SWANA & the SWANA Florida Chapter's Senior Executive Seminar**

February 19-21, 2017

Grand Hyatt Tampa Bay

Tampa, Florida

Event sites: **SES.SWANA.org**; **www.SAWNAFL.org**

### Description:

The Solid Waste Association of North America in partnership with the SWANA Florida Chapter brings together executive-level directors and managers of major public sector solid waste agencies throughout North America along with their counterparts from the private sector.

The purpose of this seminar is to provide a "think tank" atmosphere for solid waste leaders. The program features presentations and panel discussions dealing with today's most important issues, brainstorming sessions to develop practical solutions to the most pressing questions regarding solid waste management and informal networking opportunities.
