June 1 – The most qualified and eligible Chapter winner as determined by the Chapter shall be forwarded by the Chapter to the International Scholarship Committee for review.

June –Announcement and award of any Chapter scholarship winner(s).

July/August - - Announcement of International Scholarship winners.

## **I. SCHOLARSHIP AWARDS**

### **A. Eligibility**

Category III applicants must be full-time students who are entering or who are in graduate school and are pursuing a degree in environmental science, engineering or other suitable major related to the field of solid waste management.

To be considered for an award, the candidate must be either:

(1) the son, daughter, adopted son, adopted granddaughter, grandson or granddaughter of a SWANA Mid-Atlantic Chapter Member (hereon known as sponsor), in good standing at the time of the recommendation, the application submittal, the selection, and the award, or

(2) a Student member at the time of application submittal, the selection, and the award, or

(3) the son, daughter, adopted son, adopted, granddaughter, grandson, or granddaughter of an employee in the solid waste field in the states of Maryland or Delaware, or Washington, DC ; and is sponsored by a Chapter member in good standing at the time of recommendation, the application submittal, the selection, and the award, or

(4) a Mid-Atlantic Chapter member in good standing at the time of the application submittal, the selection, and the award, or

(5) an employee in the solid waste field in the states of Maryland or Delaware, or Washington, DC; and is sponsored by a Chapter member in good standing at the time of recommendation, application submittal, the selection, and the award.

(Note--This category is not open to SWANA employees and members of SWANA employees' families).

SWANA and the Chapter pledges to uphold the policy that all persons shall have equal access to these programs, regardless of race, color, age, sex, marital or veteran status, creed, religion, or disability.

Only those applicants in the (1) and (2) eligibility categories above are eligible to be submitted by the Chapter to SWANA for consideration for the Grant H. Flint Scholarship Robert P. Stearns/SCS Engineers scholarship. Eligibility categories (3), (4), and (5) are eligible for only a Chapter scholarship.

#### **B. Awards by SWANA International**

SCS Engineers presently contributes \$5,000 per year for a scholarship in its name. They have agreed to have the International Scholarship Committee administer the application process and select the recipients of their award.

#### **C. Award(s) by Chapter**

Each Chapter Category III scholarship amount is typically is \$750-\$1,000, but may be decreased or increased based on the number of applicants for all scholarship categories, the quality of the applications and their resultant scores, the availability of funds, etc., as solely determined by the Chapter at the time of the scholarship selection.

Likewise, the number of Chapter Category III scholarships to be awarded by the Chapter will vary depending on the number of applicants for all of the scholarship categories, the quality of the applications and their resultant scores, the availability of funds, etc., as solely determined by the Chapter at the time of scholarship selection. In addition, the Chapter may elect not to award any Category III scholarships if there are no qualified applications, as solely determined by the Chapter.

#### V. SUMMARY

With this document, the Mid-Atlantic Chapter of SWANA has attempted to outline the application requirements for the Chapter Category III and Grant H. Flint Scholarship Awards Programs. We realize, however, that there will always be questions that cannot be answered on paper. If any questions or problems should arise, please feel free to contact the Chapter's Scholarship Chairperson.

SWANA believes that the education of both students and the general public is an important step in eliminating some of our biggest solid waste management problems in the world. Through the scholarship program, we are beginning to address the problem of educating you, the student, in the hopes of producing knowledgeable and responsible solid waste management professionals for the future. Good luck!
