\*GRCDA (Governmental Refuse Collection and Disposal Association, Inc.) was original name until August 18, 1990, when it became SWANA (Solid Waste Association of North America). Mid-Atlantic Chapter was a provisional chapter as of December 14, 1983 and received its charter on August 29, 1985. The first Chapter meeting was held October 20, 1983. Because of susequent resignations or no participation after election, there have been often more than one individual in a position in any one year; if the "term" was too short, his/her name may not even be listed.

\*\* Held both positions

\*\*\*Replaced Bradley A. Hilton of Montgomery County in June 1986
