of North America

MID-ATLANTIC

MANAGING COMPOSTING PROGRAMS

Objective: Chapter Partnering Training

by Mid-Atlantic Chapter

Managing Composting Programs:

To provide students with an understanding of composting programs from planning through design and operation of modern compost facilities.

Course Content:

This 3-day course consists of presentations by SWANA certified instructors, classroom exercises, case studies, a tour and field exercise at a local composting facility. Please bring a calculator for class activities. For the tour, please bring a safety vest and closed-toed shoes; hearing and eye protection are optional.

Upon Completion of this Course Participants Will:

- Understand the issues to be considered when planning, developing and operating a composting facility, including composting economics.
- Learn the importance of composting as a component of solid waste management, the basic principles of composting, composting methods and additional ways to manage organics.
- Know about organic material collection, regulatory management and basic operations and troubleshooting.
- Prepare for SWANA's Managing Composting Programs certification exam.

DATE & TIME: November 4-6, 2024 (8:30 a.m. – 5 :00 p.m.)

Please note that no Certification Exam will be offered at the conclusion of this course.

LOCATION: Howard County Fire and Rescue Services, Conference Room #401
2201 Warwick Way, Marriottsville, MD 21104 (see map on next page)

MANAGING COMPOSTING PROGRAMS

Certification Requirements:

To become SWANA Certified you must successfully complete the certification course and pass the exam with a minimum score of 70%. The exam is not being offered at this time for the certification course; however, upon completion of the course attendees have the option of taking the test on-line

(<https://swana.org/Certification/CertificationInformation/OnlineTesting.aspx>). There is an additional fee of \$250 for SWANA members and \$400 for non-members. A check for the course must accompany the completed registration form.

SWANA Continuing Education Credits (Managers, Associates & Inspectors) will apply for each Certification Discipline the participant holds.

Shape the landscape of your career, Get SWANA Certified!

SWANA Certification has become a benchmark in the solid waste industry. More than 3,000 solid waste professionals have chosen SWANA Certification, earning themselves:

- Competence in regulatory requirements.
- Access to the latest in industry innovation and technology.
- An edge over the competition when seeking a promotion or new employment.
- Recognition for their industry knowledge, capability and so much more.

With over 10,000 members spread across 45 chapters, SWANA is the leading professional association in the solid waste field. SWANA represents professionals in both the public and private sector through our work to “Educate, Innovate and Communicate.” SWANA’s mission is to advance the practice of environmentally and economically sound management of municipal solid waste.

Some benefits of joining SWANA include:

- Online Membership Directory access.
- Special Access to the eLibrary, the solid waste industry’s most comprehensive database of papers and presentations.
- Endless opportunities to network and share ideas with fellow solid waste professionals on the local and national level.
- Timely updates on regulations and changes that will affect your operations.
- Increased knowledge through numerous training courses and conferences.
- Receive the monthly e-newsletter, **IAMSWANA News** of the Solid Waste Association of North America and the bi-monthly online magazine **MSW Management**.

For more information on SWANA Membership benefits, call 1-800 GO-SWANA (1-800-467- 9262) or visit www.swana.org.

The Mid-Atlantic Chapter is comprised of members who live and /or work in Maryland, Delaware and the District of Columbia. Check out our website at www.swana-midatl.org.

Your Instructors

Jonathan Meyers has been a member of SWANA since 2006 and is currently serving as the President of the SWANA Mid-Atlantic Chapter. He holds a BS degree in Biology from Towson University, and an MS degree in Environmental Engineering and Science from Johns Hopkins University. Jon is a professional engineer in DE, MD, PA, VA, and DC, a Board-certified Environmental Engineer, a Certified Maryland Compost Facility Operator, and the lead instructor for the LaBella Compost Operations Training course. Jon loves compost.

Michelle Minstrell has extensive professional experience in waste management operations and recycling project/program coordination as well as community involvement in recycling. She currently serves on the Board of Directors for both SWANA Mid-Atlantic Chapter and Maryland Recycling Network. Michelle is a SWANA-Certified instructor for Compost and Recycling and is also SWANA-Certified in Zero Waste, Integrated Solid Waste Management, and Collections. She has worked with the public sector, educational campuses, private businesses, and non-profit organizations.
